  - 2018   Passed with 61%

- **High School**
  - Al-Ihsan High School, Udupi, Karnataka, India
  - 2016   Passed with 81%

FREELANCE

- **Stock Consulting App**
  - Tools: React.js, React Table
  - The app is developed to showcase the top 500 stocks and its price in a table format.
  - It is easy to understand and make a decision when choosing the stocks to invest in.
  - Shows quarterly data

- **Ice Cream Delivery Website**
  - Tools: PHP, Bootstrap, HTML/CSS, MySQL(database).
  - Savor the convenience of a well-designed platform that combines PHP, HTML, CSS, Bootstrap, and MySQL for a smooth and efficient experience.
  - Indulge in the ultimate ice cream experience with our delightful Ice Cream Delivery website.

PROJECTS

- **E-commerce Apparel Store**
  - Tools: Next.js, React.js, Tailwind CSS, Prisma, Planet-Scale (Database), TypeScript
  - Project Description:
    - Admin Site: This portal enables CRUD operations for products, sizes, colors, and billboards. It serves as the central management hub for the e-commerce platform.
    - Store Site: The customer-facing front-end, powered by Next.js APIs from the Admin Site. It provides a seamless shopping experience with real-time updates.

- **CodeSandBox/Github Clone**
  - Tools: Framer Motion, Tailwind CSS, React, Next.js, and more
  - Description:
    - Visual Focus: This personal project emphasizes creating captivating visual experiences using Framer Motion, Tailwind CSS, React, Next.js, and other tools.
    - User Interface: It's all about crafting a visually appealing and user-friendly interface to enhance the overall user experience.
    - Deployment: The project is hosted on Vercel, making it accessible for personal showcasing and creative expression.
    - Personal Initiative: This project is a personal creative endeavor, showcasing design and development skills in pursuit of visual excellence.

STRENGTHS

1. **Organized and Self-Motivated**: Highly organized and self-driven.
2. **Team Player Under Pressure**: Thrives in teamwork, even in high-pressure situations.
3. **Leadership & Decision-Making**: Strong leadership and decision-making skills.
4. **Attention to Detail**: Exceptional attention to detail.

INTERESTS

- **Web3 and Blockchain**: Enthusiastic about the potential of Web3 and blockchain.
- **Continuous Learning**: Passionate about staying up-to-date with new technologies.
- **Travel**: Enjoy exploring new places for inspiration.
- **Website Design & Development**: Skilled in creating appealing websites

DECLARATION

I affirm that the information provided above is accurate to the best of my knowledge. I am committed to carrying out my duties and responsibilities with competence and professionalism as granted by the relevant authority.
